for mothers and children.

for support during and after pregnancy

maternity pillow

Our original full length multi-purpose body pillow is hand stuffed with non-allergenic fibre and provides the perfect level of comfort for pregnant women.

Designed to assist with sleeping during pregnancy, the pillow can also be used as a bolster pillow for added back support and providing the perfect level of support for feeding.

Pillow Cases

100% cotton pillow cases are available in a range of colours, including waffle cotton and 100% organic cotton. These all provide a luxurious finish and are machine washable.

Perfectly Curved Shape

The wide platform and wall shaped sides provide a flat stable surface for support and balance. This means good upper body posture when feeding as the weight of the baby is evenly distributed and the baby is comfortable and relaxed.

Breast Feeding Reminder System

This new design features the unique breast feeding reminder system to records which side you finish on to help you keep track of your feeds.

Multi-purpose Pillow

Great value for money, this multi-purpose pillow is perfect for feeding, tummy time, after feeding support and relaxation time for baby.

providing your child with security and comfort

my luvvie™ baby comforter

Touch is one of the first senses to develop. The Inspired Mother my luvvie™ range is a cuddly companion designed to keep baby happy.

Research has shown, providing security and comfort through cuddling and play is an important element to a child's well being and happiness.

The my luvvie™ range was designed to appeal to all ages. The soft and cuddly organic fabric combined with cute characters give little fingers something to play with, providing security and comfort for children. Available in elephant, monkey, bear and rabbit.

silky soft bamboo muslin

mini cuddle blanket

Organic bamboo muslin Mini Cuddle Blankets are silky soft and designed to keep baby happy.

Cuddle blankets can provide children with an object which makes them feel safe and settled when they are alone or in a situation where they may feel anxious. Children love the smaller sized fabric squares to hold and take with them wherever they go.

Made from 70% bamboo and 30% organic cotton these products are earth friendly. Parents can be happy in the knowledge that bamboo is a renewable resource.
